

# START UP PACKAGES

# 2012

The start up packages presented are typical opening orders for snowball entrepreneurs. The Southern Snow product catalog has many accessories such as signs and dispensers that are not listed in either package. There is no need to overload on supplies. Southern Snow ships 99% of orders complete with no back orders, within 24 hours. Package #2 has the obvious advantages of the SNO-BLOCK ice block maker. The SNO-BLOCK produces cost efficient ice that provides self-sufficiency to the snowball operation.
